Tools Necessary:

Training Issues:

1. Vision Development
2. Perspective
3. Decision-making
4. Planning and Perspective
5. Team Development and Networking

To Produce A New Disciple:

Master is Christ (Luke 14:33)
Abides in the Word (John 8:31)
Reproducing Fruit (John 15:8)
Committed to the Body
 (John 13:34,35)

To Produce A Maturing Disciple:

Faithful - desires to please God
Available - God is a priority
Initiates - to God and others
Teachable - open to God and others
Hungry - for God and to be led

To Produce A Reproducing Disciple:

Faithfully bears the MARC of a disciple
Receiving training in evangelism, establishing and equipping
Understands and is developing in Christ-like character
Initiating evangelism and working to establish others
Teamed with others who are making disciples

To Produce A Multiplying Disciple:

Word of God is their source
Orders life around the Great Commission
Resolve to be like Christ in all aspects
Knows how and is committed to multiplying into a 3rd spiritual generation
Evanglizing as a lifestyle
Relating properly to the church

A Philosophy of Disciple-Making
